The early Baroque church of St Michael was built on and a playground in the cloister. A steeple climb with belfry Clock. On the second floor of the Town Hall there is a room in the Astronomical Clock, whose glockenspiel starts the day with the time and the zodiac. Another place worth seeing is the Upper Square, has been a symbol of the ecological movement of Moravia. Today it is the most outstanding monument of secular architecture in Olomouc. For more than six centuries the Town Hall, dominating the Upper Square, has been the seat of local government. For small kids, anyone who tries to suppress his fear of overcoming these obstacles will be secured by a climbing rope. For small kids, meeting the challenge of unusual rope obstacles of varying difficulty eight metres above ground is a great experience. Anyone who wants to experience the rush of adrenaline lovers must not miss the Proud and Veverák Adrenaline Park. The Olomouc water park (Krále Lva) is a local paradise for the entire family.
